For Thai candidate:

For Thai candidates, CMU-IPAS adopts the same code of conduct on “Offer Reply” for TCAS lead by the Council of University Presidents of Thailand (CUPT). Here are procedures regarding the code conduct:

- 1) A successful Thai candidate must reply to the offer in **BOTH** systems, **CMU-IPAS during March 3rd - 5th, 2019 and TCAS during April 24th - 25th, 2019**. If a candidate fails to do so, this will be considered as the “Decline ALL offers”.

The counting starts at the first time the candidate making the acceptance. Each candidate can turn down an allocated spot just once but the change must be made within the designated time frame, this counts as the second. The third time will be the last and it cannot be changed anymore except to “Decline ALL offers”.
- 4) Once a confirmed acceptance has been made, the candidate is not eligible to apply to the next available intake(s). If needed, he/she must decline – on the other hand – revoke his/her acceptance in order to be eligible to apply to the upcoming round of admission.
